- Heavy-duty rubber pebble-embossed design improves traction and comfort
- Insulates floor and creates a silencing effect
- Oil, grease, and chemical resistant
- Provides barrier to cold floors and floor protection
- Low profile to eliminate trip hazards and allow for cart traffic
- Made from 100% recycled materials
- Utilizes a rubber compound

## Description

---

The Pebble Trax® Runner™ is made with a resilient rubber compound and a pebble-embossed surface providing long-lasting traction and floor protection for a variety of industrial applications. This runner is the perfect product for long warehouse and store-room aiseways creating a barrier to cold floors. The low profile matting allows for easy on/off cart traffic.

## Specifications

---

Model No	780
