

39" x 19.5", Black, San-Eze® Drainage Anti Fatigue Mat, T12

Product Images

Short Description

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from platform
- Tested and certified by the National Sanitation Foundation (NSF) for grease and oil protection and durability (Brown only)
- 100% Nitrile Rubber compound for superior grease and oil resistance

Description

One of the premier food service mats in the industry, San-EZE® is made from a 100% heavy-duty Nitrile rubber compound providing the ultimate in grease and oil resistance and is NSF tested and certified (brown only). San-EZE® is specially formulated to provide superior ergonomic comfort and traction in wet or greasy areas. A large hole drainage system facilitates the removal of liquids and debris from work areas further enhancing slip resistance.

Specifications

Model No	T12S3919BL
Color	Black
Dimensions	39in x 19in
Thickness	7/8in
UPC	662641802537
Standard sizes	39"x19.5", 39"x29.25", 39x39", 39"x58.5"
Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Wet/Dry and Greasy Areas
Special Characteristics	Free of DOP, free of DMF, free of ozone depleting substances, free of silicone and free of heavy metals
Recommended Use	Restaurant kitchens, food prep, food processing environments
Special Remarks	Cleaning with detergent and power-washer is recommended for extended service life
Surface	Large Drainage Holes
Edges	No borders
Usage Intensity	Heavy duty
Material Specifications	100% Nitrile rubber
Process	Compression Molding
Pallet Quantity	30
Weight Lbs/sqft	2.3
Thickness Inch	7/8in
Fire Rating US	Pass
Slip Resistance Rating	Superior
Comfort Rating	Superior
Grease Resistance Rating	Superior
Wearability Rating	Superior
