

COLOR-CODED CLEAR GREASE GUNS & TUBES

Color-Coded Clear Grease Guns enable accurate identification of a lubricant by providing visibility of the installed cartridge or the grease level if bulk filled.

Made of impact resistant polycarbonate, the clear body tubes are extremely tough and durable and have been designed for many years of use in industrial environments.

Available in 10 colors:

Clear Pistol Grip

Clear Lever Grip

Clear and Steel Tubes are also available in 10 colors as spare parts for converting your existing grease guns. Fits most common styles. Clear Tubes shown in all 10 Colors.
