QuickPick Bin

6 SIZES AND 3 COLORS AVAILABLE

Dividers

These heavy-duty, polypropylene storage bins provide an open hopper front and back, allowing double sided access to stored parts. Bins stack one on top of the other, both vertically and cross-wise, and nest when empty for space efficiency. Optional dividers may be used front to back, side to side, or both at the same time, dividing the bin into four sections. A molded in label holder on both the front and back of the bin allows for easy parts identification. Bins can be used on standard metal or wire shelving as well as on desks, bench tops or work stations.

Available in: ● Blue ● Red ● Yellow

Heavy-Duty Wire Shelving with QuickPick Bins - Complete Packages

These unique shelving packages provide double sided access to stored parts. QuickPick Bins allow two users to access stored product at the same time. This ergonomic, space efficient work station is the ultimate space saver. Shelving systems measure 18"W x 36"L x 74"H and may be ordered with or without a mobile kit. These heavy-duty systems offer an 800 lb. capacity per shelf. Optional dividers may be used front to back, side to side or both at the same time, dividing the bin into four sections. A molded in label holder on both the front and back of the bin allows for easy part identification.

Bins available in: ● Blue ● Red ● Yellow (One color per unit)
