Stainless Steel Fluid Path Hose Reels

1/2", 3/4", 1" I.D.

- Offers another level of protection in corrosive environments

- Stainless steel swivel and stainless steel main shaft - all components in contact with media

- Cast aluminum ratchet and latch pawl provide reliability and durability

- By design, the ratchet and latch pawl are substantially thicker than competing reels to reduce wear and increase service life

- Steel components are individually powder coated prior to assembly to maximize corrosion resistance
