

STI Wire Guard Damage Stopper®

STI-9730

PRODUCT OVERVIEW

This member of the STI Wire Guard Team was created in response to multiple requests from STI customers. The STI-9730 is constructed of 9-gauge steel wire coated with corrosion resistant polyester. The size and sturdy steel construction make the Multi Use Damage Stopper an easy choice for protecting a wide variety of sensitive equipment.

FEATURES

- Guard protects a wide variety of devices against theft and vandalism.
- Constructed of 9-gauge coated steel wire.
- Fast and easy installation with all screws and anchors provided.
- May be spray painted once prior to installation to match decor.
- Three year guarantee against breakage in normal use.
