MULTI-HEAD HAMMER

SAFER,
FASTER,
EASIER

Mechanical & Pin Driver Sets for Military Applications

- Increased Productivity - One man now does the job of two
- Enhanced Personal Safety - Eliminates hand-holding of punch or chisel
- More Accurate - Linear impact instead of wasteful arcing motion
- Less Downtime - Powerful & precise impact with no miss-hits
- Meets OSHA standards and regulations

The powerful Slide Sledge® Multi-Head Hammer reduces dangerous, time consuming hammer and steel jobs to a one man, one tool operation. The linear motion of Slide Sledge® focuses power for precision impact without the worry of sledge hammer misses and glancing blows. With the power and accuracy of Slide Sledge driving pins, tough maintenance jobs are now easier, faster and a whole lot safer. With several options of interchangeable tips to choose from, finding the right head design for almost any application is easy and affordable.
