

Mounting Mounting Feet

Field Installable Mounting Foot Kit for CF and F Series

Catalog Number CFMTGFTKIT
UPC 785928202056

DESCRIPTION

CF and F Series mounting feet allow the installer to position and mount an enclosure in a variety of applications. Mounting feet allow the enclosure to be installed without compromising the integrity of the enclosure. Most mounting feet can be installed vertically or horizontally.

FEATURES

- External mounting feet allow the installer to position and mount the enclosure in a variety of applications.
- Mounting feet allow the enclosure to be installed without compromising the integrity of the enclosure.
- Most mounting feet can be used to install an enclosure vertically or horizontally.
