

819467

Straight Extension Interchangeable Heads For Torque Wrench, 6

PRODUCT DETAILS

- One piece, cast, proprietary steel selection
- All of our heads fit on all of our wrenches
- Our smallest head fits on our largest wrench
- Our largest head fits on our smallest wrench
- Fewer wrenches to buy, calibrate, repair, and manage
- No need to buy multiple wrenches and heads to cover different fastener sizes within the same torque range
- Sturtevant Richmond interchangeable heads have two common centerlines. Typically for sizes 32 mm and below the common centerline is 36.5 mm. Sizes larger than 33 mm the common centerline extends to 98.4 mm.
