

Wera Socket Sets

Socket Sets

Wera sockets are available in small sets of sockets only or in larger sets that include a Zyklop ratchet and other accessories. Sockets are made from high-quality chrome vanadium steel and have a knurled edge for manual turning. Inch and metric sizes are available in 1/4, 3/8 and 1/2 inch square drive. Sockets are made of chrome vanadium steel with a brushed chrome-plated finish for corrosion protection.
