EvoSIGNAL Overview

Description

Signal devices warn, guide and protect. The type of visual and audible signals used depends on the application and the surroundings. With EvoSIGNAL, it is easier than ever before to find the signal device you need: the streamlined, modular system optimally covers practically all areas of application.

Mini

Twin*LIGHT* and Twin*FLASH*

Twin*LIGHT* and *Twin*FLASH* merge two lighting functions in one element that can then be remotely operated and even configured to suit different escalation levels.

Twin*LIGHT* - Permanent and Blinking Lights

*T*win*FLASH* - Flash and EVS (enhanced visiblity system)

Modular Beacons

EvoSIGNAL is the new modular, simple and clear standard solution for the signaling sector.

• High protection rating IP66
• 62, 85, 120mm beacons available
• Signal modules in common voltages
  (115–230 VAC, 12/24 VAC/VDC, 12 VAC/VDC, 24 VAC/VDC)
• Five colors available

Midi

Beacon Accessories

Accessories for installation and freestanding beacons:

• Base mounting
• M22 installation mounting
• PG29 installation mounting
• Tube mounting
• Bracket mounting with cable gland
• Bracket mounting

Maxi

Select your WERMA EvoSIGNAL Device
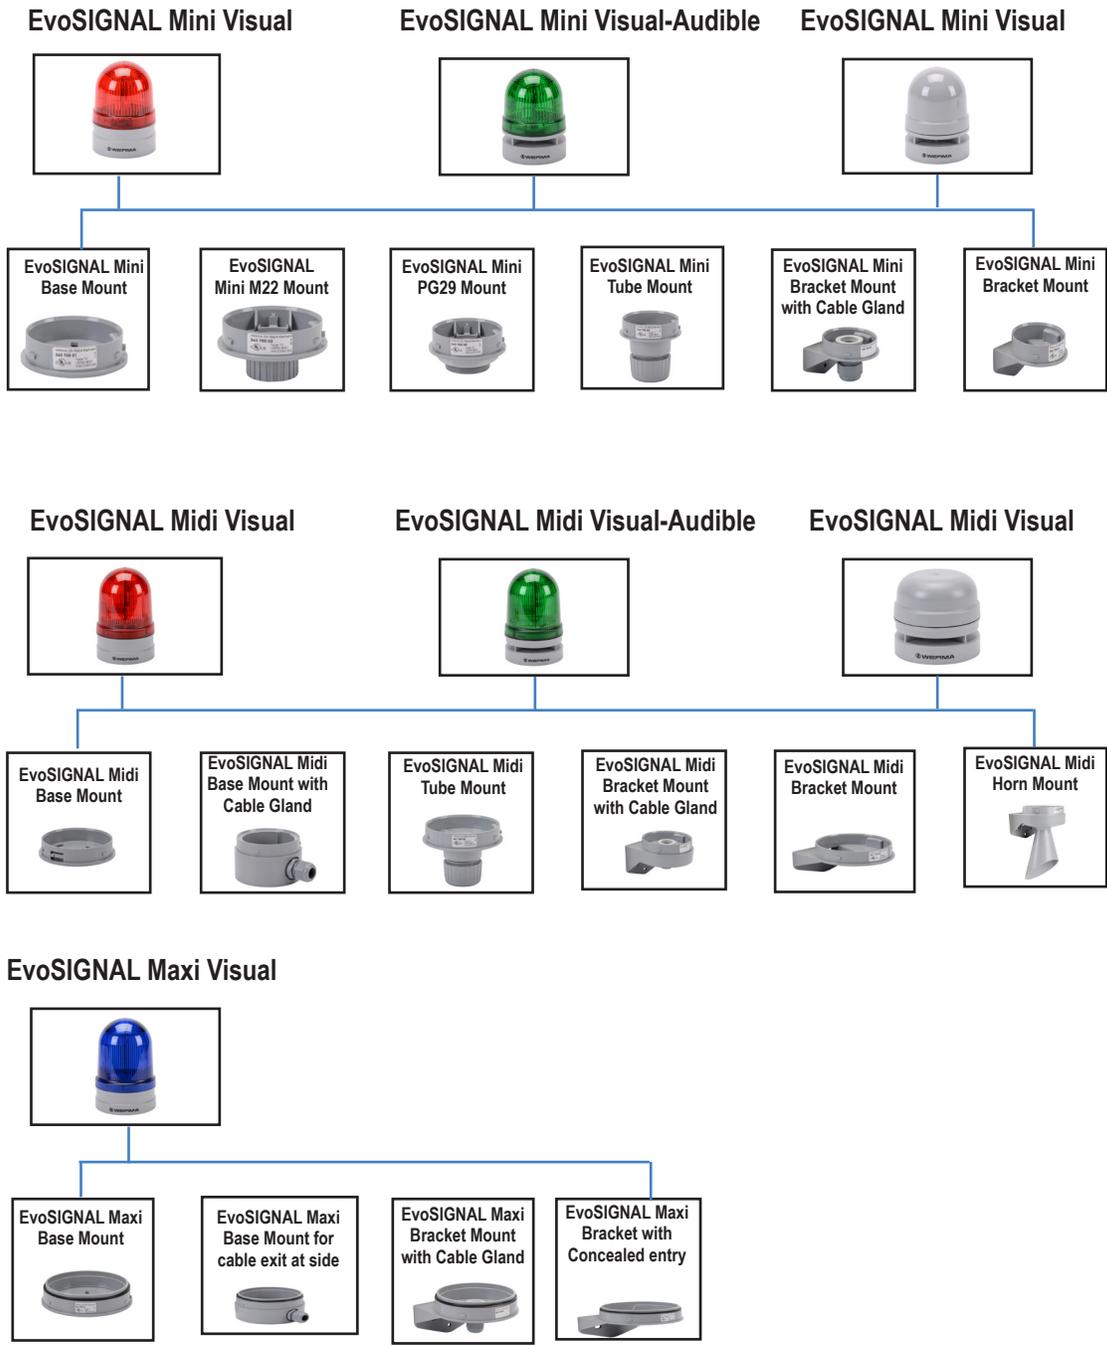

STEP 1

Select height/diameter for your application.

Series	260 Mini	261 Midi	262 Maxi
Ø	62 mm	85 mm	120 mm
Height	85 mm	130 mm	173 mm

Visual Maxi Twin*LIGHT* And Twin*FLASH* 120mm Beacon EvoSIGNAL Series

Maxi 120mm Beacon Overview

The EvoSIGNAL Maxi Beacons are a flexible long-range solution. The Maxi series are generally used for building services engineering, door and gate applications, machinery and plant equipment systems. They are available in Twin*LIGHT*, *T*win*FLASH* and Rotating lighting effects.

26252070

26211060

Features

• Voltage ratings 115–230 VAC, 12/24 VAC/VDC
• Available in Visual and Rotating styles
• TwinLIGHT and TwinFLASH light effects
• Push-in connection terminals
• 2 year warranty
• Base, tube, bracket and wall mount options
• Requires mounting adapter - sold separately
• IP66

Agency Approvals

• cULus E164155
• CE

To obtain the most current agency approval information, see the Agency Approval Checklist section on the specific part number's web page .
